- First section, second topic

## Second section

- Second section, first topic
- Second section, second topic

# First section, first topic

## Introductory statement

- ▶ Insert what you want to say here
- ▶ ...and here
- ▶ and a nested bullet list
  - ▶ first item
  - ▶ second item

# First section, second topic, first slide

## Corollary

*This follows from what has been stated before*

- ▶ *and you can also use lists in here*
- ▶ *and another item*

## This is important

Probably something bad

- ▶ and you can also use lists in here
- ▶ and another item

# First section, second topic, second slide

## Theorem (A solution of a problem)

- ▶ *First step*
- ▶ *Second step*
- ▶ *Third step*

# The End

This does not show up in the outline. A good place to insert information about further readings:

## John Doe

eComStation 2.0 - A really long title.  
OS/2 Press: New York, 1990.

## Jack Smith

eComStation 2.0 - A shorter title.  
eComStation Press: Berlin, 2000.

Thank you for your attention.
